

Alfresco

Outdoor Seating & Dining Tables

The Alfresco has a durable Stainless Steel frame, which is built to withstand all types of British weather.

The Alfresco dining furniture is back by popular demand; an outdoor, weather durable version of our ever-versatile Dine Steel, with a fully-welded 50mm box section stainless steel frame.

The seat and table top are made from damage-resistant 12mm thick Solid Grade Laminate (SGL). Easy to maintain, impact-resistant, and has antibacterial properties

that can prevent the growth of mildew and mould makes this material one of the best for outdoor uses.

Sizes for Alfresco seats and tables range from 800mm long up to 3000mm in increments of 200mm.

Options for floor fixing foot brackets can be requested upon purchase.
