

Clear lacquered 36mm barrel shaped plywood end grain top with a softly sculpted edge profile.

Coppice

Dining Tables

Our newest member of the table family; Coppice is a matured version of our ever popular Pinnacle. Plywood end grain table tops, finished with clear lacquer to protect and preserve the colours and the beauty of what the woodland world has to offer.

36mm thick table top with a softened sculptured profile that bestows the light to capture all the angles this barrel shaped top has to give.

Using our extensive range of metal finishes, the 40mm angled box section frame is powder coated in a colour of your choosing and then fitted with level adjustable feet.

Tables are available in lengths from 1600mm, right up to 2400mm, and can be 750mm or 1050mm high for working or dining applications.
