

Dine X

Seating & Dining Tables

Dine X is a robust chunky industrial looking table with a X shape end design.

With a 50mm box section frame and 50mm thick top option, Dine X is a real heavy-duty product available in a large range of sizes. With our extensive range of RAL metal finishes including the option of a lacquered raw steel to complete that industrial look.

Like the Dine Steel, Dine X is fitted with either a 25mm or 50mm Laminate (HPL) top or seat.

Tables are available in lengths up to 3000mm, and can be 750mm or 1050mm high for working or dining applications. Benches are available in lengths up to 2800mm and are 450mm high x 380mm deep.

Please note that Dine X units are supplied in KD format to be assembled on site.

Purchase of Dine X includes kerbside delivery to U.K. mainland on Senator standard transport. Costs for direct delivery and installation to be prearranged upon ordering.

Frame finish option from our Senator standard metal finish offer. Standard codes are based on laminate Band A, see laminate bandings on the following page. Underside of table top and benches is always white balancer.

*We recommend that if you require your seat benches to fit under the table then please specify them to be 200mm shorter than the table. Example: Quantity of 1 x DXT-28 with a Quantity of 2 x DXB-26.

Dine X

Poseur Height Tables

Dine X is a robust chunky industrial looking table with a X shape end design.

Like the Dine Steel, Dine X is fitted with either a 25mm or 50mm Laminate (HPL) top.

With a 50mm box section frame and 50mm thick top option, Dine X is a real heavy-duty product available in a large range of sizes. With our extensive range of RAL metal finishes including the option of a lacquered raw steel to complete that industrial look.

Tables are available in lengths up to 3000mm, and can be 750mm or 1050mm high for working or dining applications.
