If you are unsure what fabric would suit your sector (contract, healthcare, educational, hospitality etc.) please do not hesitate to get in touch.

Please note that other fabric choices are available that is not on this list. Do not hesitate to contact for any other fabric offers and prices.

Please follow specific manufacturing guidelines that can be found on the companies website on how to clean the fabric. Cleaning with the wrong substance could damage the fabric.

Fabric certificates or technical data such as the flame retardancy, the abrasion resistance, environment certified, light fastness, full composition and guarantee can also be found online.
