

Mobile Pinnacle

Dining Tables on castors

The Mobile Pinnacle range can offer a lightweight solution to our other tables with its new capabilities to move on castors. This gives possibilities to create a new layout as the environment reconfigures and evolves.

Due to its slender frame and aesthetic angles, it may appear decorative as well as functional. Using our extensive range

of metal finishes, the 40mm angled box section frame is powder coated in a colour of your choosing and then fitted with either a 25mm MFC or 25mm (HPL) Laminate table top.

Tables are available in lengths up to 2600mm, and can be 750mm or 1050mm high for working or dining applications.
