

S2

Single Sided

S2 is our newest modular seating solution. It is available as a single sided unit, double sided unit or as an ottoman stool, with sizes that range from 800mm wide right up to 2200mm wide.

Each single sided unit is 1200mm high x 700mm deep and has a leg option that

includes a black panel base or metal legs; Upholstery is totally bespoke so fabrics, leathers or vinyl's can all be selected.

Additional arms can also be added to finish the look and should be specified at the time of purchase.

Please note that S2 units are supplied fully assembled.

Purchase of S2 units includes kerbside delivery to U.K. mainland on Senator standard transport. Costs for direct delivery and installation to be prearranged upon ordering.
