

Shard Pod

Open Pod

Our range of upholstered Shard Pods add a formal and creative space to any room with a desired *illusion* of peace.

With an opening at each end, the Shard Pod can be both welcoming, and an area for small, quieter exchanges.

With a choice of three depths; 800mm, 1200mm and 1500mm deep,

standing an impressive 2200mm high and 2250mm wide as standard.

Shard Pods are clad with Senator standard 18mm MFC. The roof is fitted with PIR activated downlights, meaning the light will activate with movement and can be modified to suit. Complete the look with a Pod Table such as the narrow Pinnacle shown above.

The purchase of Shard Pods include delivery and installation during normal working hours.
