

Privacy Pod

Shard Single Person Pod

Privacy Pods are Shards version of a single person pod, making them ideal for solo, brief projects, personal phone calls or just a bit of quiet time when desired.

Shard Privacy Pods are supplied with a table that is fitted to the wall, and are constructed using 18mm Senator standard MFC. It has a circular pixel power module (1x power and 1x USB) positioned under the table top.

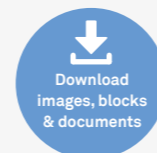

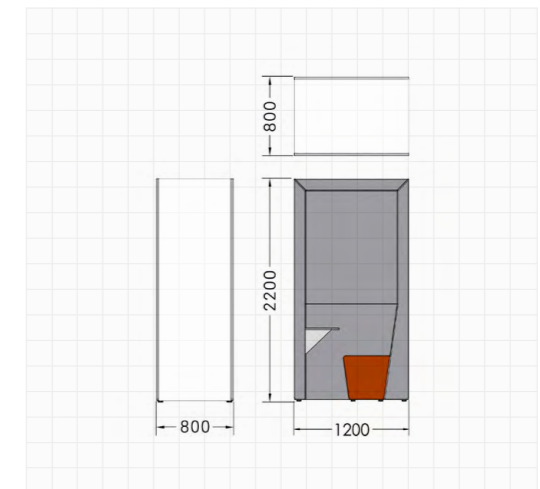

Like our smallest Shard Pod, the Privacy Pod is 800mm deep, stands an impressive 2200mm high and a 1200mm wide as standard.

Shard Pods are clad with Senator standard 18mm MFC and the table is made using 25mm MFC. The roof is fitted with a PIR activated downlight, meaning the light will activate with movement and can be modified to suit.

Our Privacy Pods include power sockets with added USB components. Please get in touch if you require any more information.

Purchase of Shard Privacy Pods include delivery and installation during normal working hours.
