

Shard

Shard was introduced as another style of modular seating, alongside the freestanding Seated products. Shards tapered angular composition can look as striking or as modest as you intend the fabric choices to be.

With options of single sided, double sided

or as a walled booth, not to mention a broad selection of Shards ever popular pods to easily incorporate into every building.

Shard is constructed with clever interlocking solid birch plywood and is fully upholstered, so it is designed as bespoke as possible.

Single Sided

740mm d x 980mm h
Single sided fully upholstered freestanding unit, with tapered seat and back. Fitted with plastic glides for floor protection.

Fabric Class	800mm w	1200mm w	1500mm w	1800mm w
1+	SHS8 1+	SHS12 1+	SHS15 1+	SHS18 1+
