

Smart Office

Personal Secure Locker Units

Standard codes based on white MFC carcass and one door finish per unit.

Smart Office is a range of personal storage lockers designed for modern ways of working. Each cubical measures between 370mm and 380mm high, either 364mm or 464mm wide and 464mm deep internally.

Door configurations are available from two doors up to five door units. The doors and the carcass is made from 18mm thick MFC, and the top and base panel is made from 25mm thick MFC. Both have 2mm impact resistant edges.

Each door is supplied with 90 degree concealed hinges with soft-close fitting. Key lock is used as standard however a wide range of other locks are available for a variety of different needs.

Adhesive number 45mm squares for locker identification is also available upon request.

SML5H-5	500 x 1998 x 500

Extras

Code	Description
NUM DISC 45	Price per 45mm square adhesive number disc

Planters

Planters for Smart Office are an ideal way to add those decorative touches to display on a run of lockers.

They can be used to personalise and style rooms with a modern look. Using artificial foliage gives a sense of bringing the outdoors in without the maintenance and mess of real plants.*

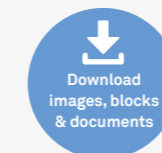

*Plants are not supplied. Real plants cannot be used in these planters as MFC cannot withstand water and the moisture from soil.

Code	Width x Height x Depth
SMP-8	800 x 200 x 500
SMP-10	1000 x 200 x 500
SMP-12	1200 x 200 x 500
SMP-15	1500 x 200 x 500
SMP-16	1600 x 200 x 500
SMP-20	2000 x 200 x 500

Please note that Smart Office units are supplied fully assembled.

Purchase of Smart Lockers includes kerbside delivery to U.K. mainland on Senator standard transport. Costs for direct delivery and installation to be prearranged upon ordering.

Smart Office units (above) shown using Winter Oak MFC doors with White MFC Carcass from our Senator standard MFC finish offer. Standard codes are based on a white MFC carcass and one door finish per unit. Options for mixed door finishes would be cost on application.

We would recommend the Planter MFC finishes being the same as the Smart Office carcass finish.
